# EUROPE'S LARGEST LAW EXPO

The London Law Expo returns to London on Tuesday 8th October 2019, and will welcome visitors from the world of legal practice management, technology and IT security.

This major international law event will take place at the Old Billingsgate, London. With 5 presentation stages, 50 expert speakers and over 65 exhibitors, The London Law Expo will explore a wide array of topics, issues and opportunities to assist law firms and legal businesses increase their overall performance, profitability and levels of IT security.

As Europe's largest law expo, the event will take place over 2,500 sqm of floor space. Chaired by Professor Stephen Mayson, The London Law Expo 2019 will once again bring together the most respected names in the legal and commercial worlds to deliver a wide range of managerial, operational and sector focused information.

With 5 presentation stages running simultaneous development sessions, the event will again explore emerging opportunities within the legal & economic landscapes, strategies for increased managerial & team performance, operations, practice management and firm-wide business development.

The London Law Expo 2019 will also examine the legal technology systems, strategies and processes that will drive law firms and legal businesses into the next decade and beyond.

# EVENTCHAIR

## PROF. STEPHEN MAYSON

Honorary Professor of Law, University College London

For more than 30 years, Professor Stephen Mayson has advised law firms around the world on issues of strategy, economics, ownership, and valuation.

He has a particular interest in the reconfiguration of the legal world being driven by competition and the Legal Services Act 2007, while maintaining a firm belief in the need for professional ethics and integrity in business.

Stephen is known for having an independent mind, and now divides his time between non-executive and advisory appointments, and policy work.

Stephen has worked with hundreds of clients around the world (including law firms, barristers' chambers, corporate and government legal departments, and regulators), helping them to make difficult decisions in times of structural or industry change.
